FLAT FLYERS

2017 / 18 SEASON

INTRODUCTION

Thanks for choosing to download our newly released betting system for the 2017/18 Flat season.

Unlike the majority of betting systems involving complex rules and a lengthy time commitment, Flat Flyers keeps things simple with a small ruleset which can be applied in a few minutes.

Flat Flyers has produced a consistent profit at Betfair start price since the beginning of 2015; a breakdown of the statistics, and full results history, have been provided at the end of the guide.

I'm confident the system will prove to be an excellent earner, and a worthy addition to any aspiring punter's betting portfolio.

THE SYSTEM

Flat Flyers, as the name suggests, focuses specifically on flat racing on both turf and all weather surfaces. The rule-set involves specific trainers, race class, and forecast odds.

System Rules

- 1. Flat racing only**
- 2. Class 3 races only**
- 3. Forecast odds between 9/4 and 13/2**
- 4. Trainer must appear on the list below:**

Ralph Beckett

James Fanshawe

Richard Hannon

Kevin Ryan

Michael Stoute

Tom Dascombe

David O'meara

David Simcock

Saeed Bin Saroor

The list of qualifying trainers is based on several factors including number of runs, win strike rate and return on investment.

I will aim to provide an update towards the beginning of each years flat season, to take into account newly qualifying trainers and existing trainers that no longer qualify.

SELECTION PROCESS

The following walkthrough shows a quick and easy method of applying the system rules.

Firstly, we require a website (or newspaper) that provides each days racing cards. The Racing Post website has been used in this example: <http://www.racingpost.com/cards>

Rules 1 and 2: Class 3 races on the Flat

Qualifying races can be found on the cards page, like so:

	LINGFIELD (AW) POLYTRACK	2:00 - 5:00	Flat	7 races
GOING POLYTRACK: STANDARD (Showers) STALLS 5f & 1m - Outside; Remainder - Inside				
2:00	sunbets.co.uk Handicap Cl6 (4yo+) 1m1y			
2:30	Betway Claiming Stakes Cl6 (4yo+) 6f1y			
3:00	32Red Handicap Cl6 (3yo) 5f6y			
3:30	32Red Casino Maiden Stakes Cl5 (3yo) 1m2f			
4:00	<u>32Red Handicap</u> Cl3 (3yo) 5f6y			
4:30	Betway Handicap Cl4 (4yo+) 6f1y			

To the right of a meeting name, we can see if the meeting is 'flat' or 'jumps' as highlighted in red. Also highlighted is the race class, which is displayed after the name of each race. We are looking for 'Cl3' races only.

Once we've identified a qualifying race, click on the race name to go to the race details page.

Rule 3: Horses with forecast odd between 9/4 and 13/2

Under the list of runners, we can view the forecast odds for each horse:

Paul Midgley does not appear on our list of trainers, so we can exclude Merry Banter. Richard Hannon is on the trainer list, so we have one qualifying bet in this race – **Juan Horsepower**.

THE RESULT

Our qualifier Juan Horsepower won it's race comfortably, as shown in the results below:

Pos (Draw)	Btn	Horse Name	TFR	Tfig	Jockey Trainer	Age (Equip)	Wgt (OR)	ISP	BSP (Place)	Hi/Lo

Non Runners: SCUZEME						Winning Owner: Middleham Park Racing LXXXIII				
Time: 58.42s Closing Sectional: (2.00f): 22.00s (105.6%)										
A steadily-run sprint that was dominated by Juan Horsepower, and it's form to take a lowish view of, the form weak for the grade with the top-weight some 10 lb below the maximum rating ceiling for the race.										
JUAN HORSEPOWER resumed winning ways in a race that showed him to good effect, certainly not lacking for speed here, probably resenting being taken on last time; soon led, shaken up around halfway, quickened on home turn and always holding on; thing will be harder for him next time.										

In this case, you may have noticed the early odds (4/1) beat start price (6/4) by a considerable margin.

There are two recommended options when placing you bets; either take an early bookmaker price (with best odds guaranteed if possible), or take Betfair Start Price. Both have shown substantial long term profit levels.

PERFORMANCE

Flat Flyers has produced the following results since January 2015. The profit levels are based on betting at Betfair start price minus 5% commission.

Bets: 678

Win: 181

Strike Rate: 26.7%

Based on the above strike rate, and a longest recorded losing run of 22, a **100 point bankroll** is recommended.

Flat Staking

A worthwhile system should be able to produce a profit using flat stakes:

Points Profit: 351.93

Profit at £25 stakes: £8,798.24

Compound Staking

We can grow our bankroll more quickly by recalculating our stake each day. Divide our current bankroll by 100 e.g. £1,000 bankroll / 100 = £10 stake. This method is shown in the results history on the following pages.

Profit from £1,000 bankroll: £24,071.90

Annual rate of return: 931.82%
